

Print on Paper

Cut these Intertank panels and glue on top of the old parts for these missions only. This reflects the new Intertank implementation that took place on mission STS-116 with a new design of the intertank panels, and is used on current missions.

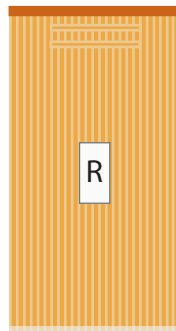

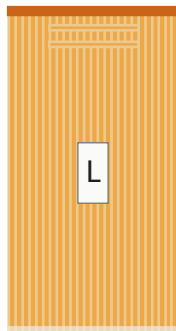

STS-116

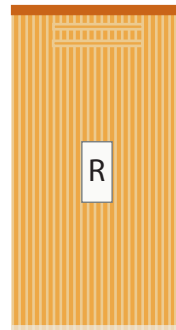

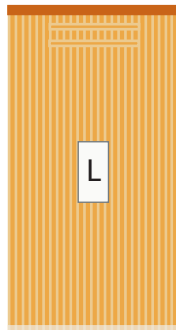

STS-117

STS-122

STS-123

Check the REFERENCE page on my website for these missions under Stacks 5, 5A and 6.
