1:144 SRB general parts

©2006 Not for commercial use

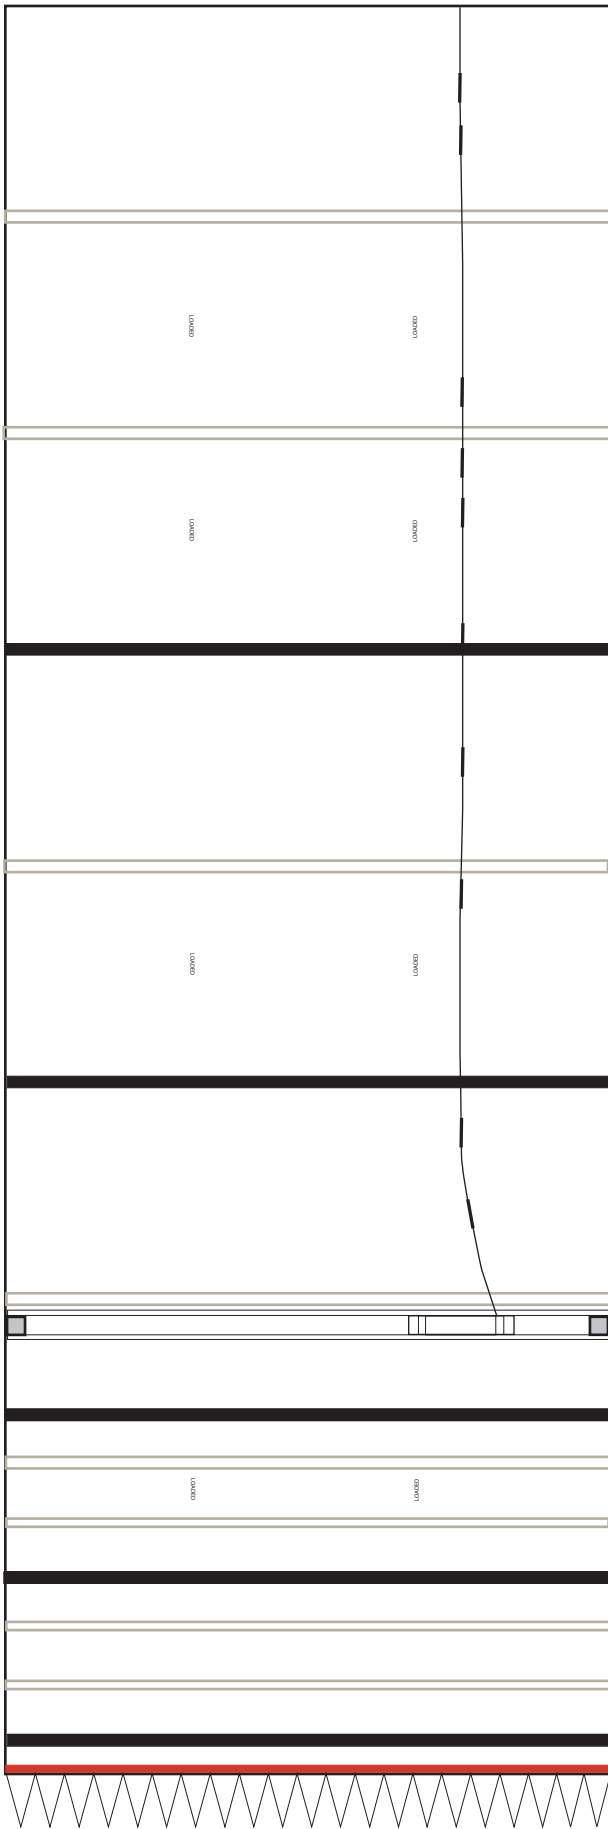

Diagram showing the general parts of a 1:144 SRB (Space Shuttle Rocket Booster) in two views: a top view and a side view. Each view consists of three rectangular sections separated by dashed lines, indicating where the parts are joined or cut out. The top view shows three rectangular sections of varying lengths, with the longest section in the middle. The side view shows three rectangular sections of varying heights, with the tallest section in the middle. Dashed lines indicate the assembly points between the sections.
